Animal Interest Story

The Cat is out of the Cradle....

In 2021, Felicianana's St. Francisville location had the need to ensure a stress free environment, FFCU decided to participate in the Companion Animal Alliance Adoption Program in Baton Rouge. YES...FFCU adopted a feline!! Felici Ana joined our group making a very special and interesting atmosphere for her co-workers and members. Such a loving disposition, Felici Ana drove away with our hearts! Thank you Felici Ana for your companionship. Felici Ana was later adopted by a co-worker.

LET US HELP YOU BUILD YOUR CREDIT

Your credit score is an important look into your financial situation and helps lenders know how worthy you are to take out a loan or any other line of credit. This being said, monitoring your credit score is extremely important and a good score can be the difference between you and a new car or home. Make sure you're keeping your credit score high and working to improve it so that your financial future is secure!
